REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR §1.47(a)

Sir:

In response to the Decision Refusing Status under 37 CFR §1.47(a) mailed October 10, 2002, submitted herewith is a Declaration by Dr. William S. Dalton stating that he was presented with a copy of the application papers (specification, including claims, drawings, and declaration and power of attorney) for his review and signature, and he did not sign the declaration and power of attorney.

The Decision Refusing Status under 37 CFR §1.47(a) indicates that the Petition filed on June 4, 2002 did not provide sufficient proof that the entire application (in particular, the specification, including claims and drawings) was presented to Dr. Dalton for his review and signature. Accordingly, in view of the Declaration by Dr. William S. Dalton submitted herewith and the Petition filed on June 4, 2002 with accompanying documents, the applicants respectfully

Docket No. USF-T140XC1
Serial No. 10/024,017

submit that a *bona fide* attempt was made to present a copy of the entire application to Dr. Dalton for his review and signature. Therefore, the applicants respectfully request that the Decision Refusing Status under 37 CFR §1.47(a) be withdrawn, and that the subject application be granted 37 CFR §1.47(a) status.

The undersigned is acting under the authority of 37 C.F.R. §1.34(a).

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§ 1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,
